WHAT IS A "MELLOW CELLO"?

Mellow Cellos summer sessions are led by Dale Bradley, a local musician / composer / music teacher and long-time member of the Eugene Symphony Orchestra and Oregon Mozart Players. Early in 1997, a local orchestra teacher approached Dale with the idea of developing a program giving young cellists & bassists an opportunity to continue their musical development and enjoy making music during the summertime. The 2018 summer session marks the twentieth year for Mellow Cellos.

Classes are small and grouped according to ability level, allowing students to focus on techniques unique to the cello & bass that they may not receive in their larger orchestra classes.

***Exact class times will be scheduled with consideration to the participants' availability (typically morning or afternoon).** Classes will be held at Dale's studio at 1290 River Road. The session will conclude with a group performance at a local retirement center. **For more information, or to register, call Dale at (541) 607-0246. Space is limited, so advance registration is recommended.**
