

Private Lesson Scholarship: Parent Info

2022-23 Season

What is a Private Lesson Scholarship (PLS)?

A private lesson scholarship means that ESYO will pay your private lesson teacher \$30 per lesson that you attend—this means **you pay \$30 less per lesson!** Your scholarship covers lessons between September 15th, 2022 – June 15th, 2023. Submitting a monthly form is required to keep this scholarship—read more about it below.

Your Next Steps: Complete Before October

1. **Find a private teacher** for your student if you do not already have one. A list of private teachers in the area can be found at esyorchestras.org/private-teachers. Reach out to find a teacher on your instrument who is available, and work directly with them to discuss how often you will have lessons and what their rates are.
2. **Fill out ESYO's PLS information form**, which can be found at esyorchestras.org/scholarships. You only need to do this once at the beginning of the season.

Monthly Forms

In order to continue receiving the scholarship, **the parent and teacher must submit a monthly form**. This year, we are using a Google Form (this is a change from previous years!). You can find that form at esyorchestras.org/scholarships.

This form is due each month by the 10th—for example, your form for October lessons is due November 10th. We will not be able to pay your teacher until **both forms have been submitted for that month**.
