

# Celebrating 89 Years of Youth Music

## **Eugene-Springfield Youth Orchestras** www.esyorchestras.org

### MISSION AND VISION

Eugene-Springfield Youth Orchestras' (ESYO) mission is to provide opportunities for youth to experience, appreciate and perform orchestral music. We do this by: a) providing high-quality instruction progressing from beginning classes to advanced orchestras, b) offering unlimited need-based program and private lesson scholarships, and c) collaborating with area schools and arts organizations.

Our goal is to ensure that all children, not just those who can afford it, have the opportunity to take part in ESYO's music programs. Serving over 300 families, ESYO is committed to providing access for all, and offering financial aid to anyone who needs it.

ESYO's programming includes five levels of tiered orchestral training, including strings classes for 4th and 5th graders in partnership with the school district. Students advance through several levels of ensemble, culminating in the Eugene-Springfield Youth Symphony, which represents the finest young musicians in the area.

Established in 1934, it is the second-oldest youth orchestra west of the Mississippi!
